LABORATORY SERVICES

The Memorial Hospital
OF SALEM COUNTY

Right Care. Right People. Right Here.

Welcome!

Welcome to The Memorial Hospital of Salem County Laboratory Services. Laboratory Services provide an important and integral aspect of your health care. Our staff provides you and your physician with convenient, quality, comprehensive laboratory collection and testing. Our experienced professional staff of board-certified pathologists and certified clinical laboratory technologists and technicians assists physicians in monitoring the treatment of existing conditions and aids in the diagnosis of disease.

We offer an extensive menu of diagnostic procedures in the following areas:

- Anatomic and Clinical Pathology
- Phlebotomy
- Toxicology
- Urinalysis
- Chemistry, Hematology, Microbiology
- Blood Bank
- Draw Stations

Accreditations

Our Laboratory is accredited by The Joint Commission and licensed by the New Jersey Department of Health and Senior Services. This means we are held to the highest quality and safety standards and assures our patients and physicians that the results we produce are accurate.

Contract Services

Contract Services are provided by the MHSC laboratory to local nursing assisted living centers, nursing homes and other commercial and industrial accounts. Call 856-339-6016 for more information on our contracted services.

Convenient Testing

We've made outpatient testing convenient by offering multiple sites. Our experienced phlebotomy staff is friendly, courteous and proficient. Specimens are delivered and tested at the hospital laboratory. No appointments are necessary at any of our collection sites.
